Terms and conditions for paying on-line

- You must email tootinggymclub@btinternet.com to obtain a **unique reference** code and bank details before paying.
- Old reference codes **MUST NOT** be used.
- If you have 2 children please use the 2 separate reference codes. If this is not possible because of your bank, then just use the one code and tell us.
- Please email to confirm payment has been made.
- Payment must be made within the On-line payment period. If payment is not received within this period your place is not guaranteed.

The small print!

- We are a Community Sports Club with limited banking facility e.g. no credit/debit cards or access to view our funds on-line. We rely on the paper statements hence the slightly complicated way of paying on-line. Thank you for your support.
- If you are asking someone to pay this for you and they are unreliable, then you may want to do it yourself!!!
